Flag: Follow up

Debbie,

Sorry late getting back to you. I took a vacation day. We have heard the work restrictions in DE are opening and out of state workers do not need to quarantine.

We have scheduled groundwater sampling for June 16 to 18, 2020. I am not aware of an access agreement from N&S or the other landowners for wells MW 54, 56 and 58 and the upgradient PFAS sampling.

Regards,

Marty
